GO VA Per Capita Grants Region 1 (FY21) Apply		
<p>The GO Virginia Per Capita Allocation Grant are funds available to the nine regional councils created by the Virginia Growth and Opportunity Act, to support grant requests that advance the Board's goals as well as the prioritized needs and opportunities identified in the Growth and Diversification plans adopted by each regional council. These grant funds are available to the regional councils on a per capita basis where each region gets a proportional share of the available funding based on its current population. Recommendations are reviewed by the Board in making final grant decisions and in approving the conditions and terms that will apply to each grant. It is expected that the grant funds will be used to initiate successful regional collaboration activities but will not be an ongoing source of long-term funding for grant requests.</p> <p><i>Application Start Date:</i> 7/1/2020 <i>End Date:</i> 6/30/2022</p> <p><i>Eligible Organization Type:</i> Nonprofit Organization</p> <p><i>Eligible Activity Type:</i> Economic Development</p> <p><i>Additional Information:</i> Return on Investment (ROI), In-Kind Contribution Form, Sources and Uses Template</p>
