Mitigation Measures and Conditions [40 CFR 1505.2(c)]

Summarize below all mitigation measures adopted by the Responsible Entity to reduce, avoid, or eliminate adverse environmental impacts and to avoid non-compliance or non-conformance with the above-listed authorities and factors. These measures/conditions must be incorporated into project contracts, development agreements, and other relevant documents. The staff responsible for implementing and monitoring mitigation measures should be clearly identified in the mitigation plan.

Law, Authority, or Factor	Mitigation Measure
Coastal Barrier Resources	If the property is on a coastal barrier the tenant must be notified and notification documented.
Flood Insurance	If a unit is a multi-families complex with 5 or more units, the provider must use the FEMA map to identify if the property is located. If it is in the flood plain, a copy of the flood insurance must be provided with the ER and the tenant must be notified that the flood insurance does not cover their person possessions. Copy of the map, flood insurance, and client notification
