Subject: CB&I Environmental & Infrastructure, Inc. Name Change

Dear Director Broad:

We are pleased to inform you that the sale of CB&I's Capital Services business segment to Veritas Capital was completed on June 30, 2017. In conjunction with the sale, we have begun to take steps to re-brand our business under our new name, **APTIM**. Therefore, we have recently changed the name of CB&I Environmental & Infrastructure, Inc. to Aptim Environmental & Infrastructure, Inc. (the "Company"). As evidence of this change, please find enclosed a copy of the official certificate from the Louisiana Secretary of State recognizing the Company's name change.

We note that this name change in no way affects or changes the corporate structure or other legal standing of the Company. The Company still has the same federal tax identification number and the personnel who support our work for you have not changed. Similarly, we will be working with the applicable state engineering and construction licensing boards to update the name on any applicable licenses related to the work we perform for you. We will seek to execute all future contracts and amendments to our existing contracts in the new Company name. We are willing to execute a name change amendment reflecting our new legal entity name, and we will be happy to help facilitate such an amendment if you desire.

We request you please update your applicable systems to reflect the Company's new legal name. If you have any questions or concerns, please contact me at the number listed above.

We appreciate your business and are excited about continuing to work with you on future projects.

Thank you for placing your trust in us.

Sincerely,

Jordanna Rubin
